Proposed Resolution

The following proposed resolution is presented for your consideration. The proposed resolution has been drafted in direct response to issues and concerns raised in 2018. Your consideration is appreciated.

(2019-1) Resolved, that PSATS support legislation that would create a Pipeline Safety and Communication Board, established as an independent administrative board having the following powers and duties (1) to collect and disseminate to the public information of Commonwealth agencies relative to the planning, siting, construction, operation, maintenance, management, inspection and safety of and emergency response procedures for pipelines; and (2) to coordinate communications related to pipeline activities with Federal, State and local government agencies, regulatory authorities, pipeline companies and the public.
